Faction Projects Inc. Ranks No. 162 on the 2020 Growth List

– *Canadian Business* unveils annual list of Canada's Fastest-Growing Companies –

Kelowna, BC (October 15, 2020) *Canadian Business* today ranked Faction Projects Inc. No. 162 on the 32nd annual Growth List, the definitive ranking of Canada's Fastest-Growing Companies. Produced by Canada's premier business and current affairs media brands, the Growth List ranks Canadian businesses on five-year revenue growth. Growth List winners are profiled in a special print issue of *Canadian Business* published with *Maclean's* magazine and online at CanadianBusiness.com and GrowthList.ca.

Faction Projects Inc. made the 2020 Growth List with five-year revenue growth of 515%.

"The companies on the 2020 Growth List are really exceptional. Their stories are a masterclass in how to survive when the economy throws a curveball. Despite turbulence, the 2020 Growth List companies showed resilience, spirit and, most importantly, empathy and strong leadership," says Susan Grimbley, Growth List Editor. "As we celebrate over 30 years of the Canada's Fastest-Growing Companies program, it's encouraging to see that the heart of Canada's entrepreneurial community beats strong, even in tough times."

"Faction Projects Inc. is excited to continue to be recognized on the 2020 Growth List. This achievement reflects the focus of our team and our unique service offering in our industry." Says Tim McLennan, Chief Executive Officer.

In 2019 Faction was recognized on the Growth 500 ranking. Through their vertically integrated structure, the Faction team continues to develop first class assets, and provide development management, architecture + planning, and construction management services to select clients. Faction's strength is in their people and their process. Traditionally, real estate development has been delivered by segregated teams working in silos. Faction believes that this approach is inherently flawed and that successful projects are the exception, not the norm. Integrated Project Delivery is not just the latest trend born out of a broken industry; Faction believes it is the future of any successful development endeavor, public or private. True integration relies on team structure and experience, as well as a Whole Systems approach to the development process.
